

### Troop 500 G Social Media Waiver

BSA has guidelines for the use of social media and our children. We want to keep everyone safe. Troop 500 plans to use social media in a positive and respectful way to help promote the Troop. We understand not all families are comfortable with social media.

Our rules are:

- We will never post on social media where the Troop is in real time.
- Any posts will be done after the activity has been completed.
- We will never share Scouts' names in any posts.

We will respect your decision to not have your child's photograph on our Troop's Facebook page, or any future social media outlets. If your decision changes, either to use or not use photographs, please request a new waiver form.

Take time to discuss this with your Scout and your family.

Please sign and return the social media waiver, indicating your preference for your Scout.

Please print the parent's and Scout's names in the blanks provided.
